# WE QUOTE TODAY'S MARKET

Complying with the provisions of the Colorado Sales Tax, all orders from Colorado must add to remittance 1 cent on all orders over 9 cents up to 59 cents; 2 cents over 59 cents up to \$1.09, and 1 cent for each additional 50 cents.

If you remit by check, please allow for exchange.

Feb. 1, 1941.

All items subject market change. If delayed in ordering, please send for new price list.

All items in one-pound lots are prepaid prices. All other prices are quoted F.O.B. Grand Junction, Colorado, and transportation charges must be allowed unless shipped by freight or express collect at your station. Bags are weighed in on all items without extra charge.

**BARLEY**—White Hulless or Bald-hulless and beardless, extremely early maturing. A very desirable crop for hay or grain for the high altitude ranch. Our seed produced at 8,500 feet altitude. See prices below.

**BARLEY**—Lico has beards but they are soft and smooth. No awn or spikes on them. The straw makes a desirable feed. It is a heavy yielder of grain equal to Trebi. See prices below.

## HYBRID CORN

Maturing from 90 days to 120 days, the later maturing the deeper the grain and heavier yielding.

Hybrid corn growing tests prove that it will outyield open pollinated types twenty to twenty-five percent.

When ordering give required number of days to maturity.

NAME OF HEAD OF HOUSEHOLD

[illegible]

We will consider it a special favor if you will write below the names and addresses of several of your friends that you think would be interested in our catalog. When these names accompany an order totalling 25c or more, we shall be glad to show our appreciation by sending you an additional 20c worth of flower seed in packets. Write packet numbers of varieties you want below: If unable to supply your choice, we will substitute as near as possible.
